RE:

Hollywood Women's Political Committee ("HWPC")--

Response to your February 21, 1997 Letter

Thank you for taking the time to speak with me last week. As I stated, I am an attorney representing the HWPC. HWPC approached me two weeks ago regarding another legal matter. In the course of doing that work, I became aware of the above referenced letter from you to HWPC. My telephone call to you was designed to let you know that I had just become aware of this issue and intended to respond on behalf of HWPC. As a point of information, the HWPC had been under the apparently incorrect impression that another attorney was in contact with you to attempt to resolve this matter.

Your letter states that transfers made by the DNC Services Corporation Victory '96 Federal to HWPC were "prohibited by 11 CFR 102.5 (a)(1)(l)."

Please be informed that HWPC saw itself as little more than a vendor for the "Los Angeles National Presidential Gala" held on September 12, 1996. The enclosed itemized expense report reflects that all funds received by HWPC were spent for the production of the Gala. No funds were paid to candidates or campaigns, either federal or nonfederal.

In addition, until HWPC received your letter, no one at that Committee had any indication that any of the funds received by HWPC were from other than federal sources. As the enclosed copies of the checks from the DNC show, all those checks were drawn off their federal account. The response card for attendance at the Gala clearly indicated that contributions were intended for support of federal campaigns. HWPC never received nor distributed any of the funds raised at the Gala.

RE: Response to letter of March 12, 1997 to Carol Pensky, Treasurer, DNC Services Corporation/Democratic National Committee.

Dear Ms. Manzano:

The DNC is in receipt of your letter of March 12, 1997. In this letter, you request clarification of the following item from our 1996 October Quarterly Report, which covered the period from July 1, 1996 through September 30, 1996:

- 1) You state a payment to the Hollywood Women's Political Caucus ("HWPC"), a federally registered political committee, in the amount of \$288,143.00 should not have been disclosed as an expenditure on Schedule H4. Rather, you attempt to characterize this transaction as a contribution from one political committee to another, and request that the DNC transfer the non-federal portion of this expenditure from its federal account to its non-federal account. Furthermore, you state that the amount paid in excess of \$5,000 exceeds the contribution limits of 2 U.S.C. § 441a(a).
  - vehemently disagrees with characterization of this transaction. This payment, as well as an additional payment in October, 1996, reflect a reimbursement for fundraising costs paid for by the Hollywood Women's Political Committee on behalf of the The payments made by HWPC reflect arms lengthtransactions with commercial vendors on behalf of the DNC for a fundraising event held by the DNC in Los Angeles, CA on September 12, 1996. Payments by DNC to HWPC reflect dollar for dollar reimbursement for those costs, and were properly disclosed as allocable fundraising costs on Schedule H4 of the DNC's report. It is our . understanding that HWPC, in amended reports, disclosed the receipt of funds by the DNC as an "Offset to Expenditure" on Line 15 of its reports.

Ms. Debbie Manzano March 26, 1997 Page Two

> The position of the FEC that these transfers constitute a contribution merely because the transaction is between two federally registered political committees is clearly at odds with FEC precedent. Specifically, in Advisory Opinion 1995-22, the Commission advised the Democratic Congressional Campaign Committee that it could disclose reimbursements from the Democratic Senatorial Campaign Committee on an ongoing basis, and that such transactions are disclosable as "Offsets to Expenditures." expenditures made by the DCCC were originally allocated and disclosed on Schedule H4. Furthermore, it is our understanding that the DSCC reports these disbursements to the DCCC as allocable expenditures on Schedule H4. See Also MURS 2345, 2611 (Permitting federal candidates to reimburse party committees, as offsets, for expenditures made by the committee on behalf of those candidates). Thus, it is apparent that the Commission has consistently held that not all transfers between two federally registered political committees are, by definition, contributions. In this case, the DNC reimbursed, dollar for dollar, allocable fundraising expenditures which were paid for on behalf of the DNC by HWPC. Therefore, the DNC believes that this transaction was properly disclosed on Schedule H4, and that it was entitled to transfer funds from its non-federal account to its federal account to pay for the non-federal portion of this fundraising expense. 11 C.F.R. § 106.5.

This company was, in fact, a subcontractor for Adams, Malchow & Hussey who was the ultimate vendor of the DNC. The vendor inadvertently refunded the overpayment directly to the DNC, rather than making payment back to Adams, Malchow & Hussey.

Corporate Entertainment Services, Inc. - This refund represents a refund for overpayment for production and consulting costs for a DNC fundraiser held in September of 1996. The original payment to this vendor is listed as payable to "CES" on our October Quarterly report.

- 8) You ask for clarification of credits shown for certain vendors on Schedule D of our report.
  - \* <u>Archibald Allen Associates. Inc.</u> It was determined that this vendor, who was a subcontractor of another DNC vendor, charged the DNC in error. The credit reflects that this vendor was not due any payments from the DNC.
  - \* Boomeraing Studios The credit listed for this vendor reflects a data entry error by DNC staff. An invoice for \$965.00 was entered twice. In fact, there was only one payment for \$965.00 due to this vendor.
  - \* Romash Communications This credit reflects the fact the DNC staff accidentally entered an invoice of the Convention Committee into the DNC accounting system. This expense was paid for by the 1996 Democratic National Convention Committee, Inc. Thus, the credit is a correction of the original data entry error.

Mr. John D. Gibson Assistant Staff Director Reports Analysis Division Federal Election Commission 999 E Street, N.W. Washington, D.C. 20463

RE: Letter to Carol Pensky of April 7, 1997, Treasurer of DNC Services Corporation/Democratic National Committee (#C00010603)

Dear Mr. Gibson:

The DNC is in receipt of your letter of April 7, 1997 to Carol Pensky regarding payments made by the DNC in the total amount of \$305,845.96 payable to the Hollywood Women's Political Committee ("HWPC"), for reimbursement of fundraising expenditures made on behalf of the DNC.

In your letter, you reject the DNC's contention that these expenditures were properly paid for by the DNC as allocable fundraising expenditures, and disclosed as "Offsets to Expenditures" by the Hollywood Women's Political Committee.

In your letter, you do not provide any basis for your determination other than the fact that the two entities involved are both federal political committees.

Your position in this matter ignores past FEC precedents, and would lead to the result of the acceptance of a federal in-kind contribution to the DNC in the amount of \$132.922.98 (50% of the fundraising costs less \$5,000 retained by HWPC less \$15,000 limit from HWPC to DNC).

Again, the payments made by HWPC reflect arms length transactions with commercial vendors on behalf of the DNC for a fundraising event held by the DNC in Los Angeles, CA on September 12, 1996. Payments by DNC to HWPC reflect dollar for dollar reimbursement for those costs, and were properly disclosed as allocable fundraising costs on Schedule H4 of the DNC's report.

You state in your letter that had the DNC paid vendors directly for these expenses they would have been lawful allocable expenses. However, since the expenses merely passed through a

federal political committee, they somehow convert these transactions from lawful expenditures to unlawful contributions. As stated in our earlier letter, the FEC precedents stated therein stand for the proposition that the Commission should look at the nature of the transaction, and not at the entities who are involved in the transaction. Thus, the Commission has permitted party and candidate committees to transfer funds in connection with allocable activities to the federal account of another federal political committee without regard to source or contribution limitations. You attempt to distinguish these precedents by stating that since these cases involved party and candidate committees this situation is different. However, these precedents do not rest on what type of federal political committees involved that were involved in the transaction, rather, these precedents demonstrate that a federal committee may reimburse another federal committee as an "operating expenditure" for costs incurred on its behalf by another committee, even though such payments may exceed the established contribution limit between those committees, and those funds may include amounts from sources that are not permissible under the FECA (See also MUR 3716 (permitting a non-federal candidate to reimburse a federal political committee for its share of expenses in connection with a slate card mailer); Audit Division Report for Bush-Quayle '92 General Committee, Inc. (permitting publicly funded presidential candidate committee for general election to treat reimbursement payment for expenses to state party as "qualified campaign expenditures").

The Commission has placed the DNC in a Catch-22. Either these payments reflect an arms-length, dollar for dollar reimbursement for expenditures paid for by the DNC by the HWPC (in which case it is entitled to allocate these expenditures pursuant to 11 C.F.R. § 106.5), or the DNC will be forced by the Commission to accept an excessive in-kind contribution from the HWPC in the amount of \$137,922.98!

Therefore, the DNC urges you to reconsider your position regarding this matter. At this time, the DNC has no intention of requesting a refund of any payments made to HWPC, since such payments would lead to the impermissible acceptance of an excessive in-kind contribution by our committee. Furthermore, since the DNC believes that it was entitled to allocate these expenditures, it has no intention to request a refund of the non-federal portion of these expenditures.

If you have any questions regarding this matter, please contact me at the address below.

Sincerely,

Bradley K. Marshall Assistant Treasurer

RE: Response to letters of April 23, 1997 to Carol Pensky, Treasurer, DNC Services Corporation/Democratic National Committee.

Dear Ms. Manzano:

The DNC is in receipt of your letters of April 23, 1997. In these letters, you request clarification of the following items from our 1996 30 Day Post-General Report, which covered the period from October 17, 1996 through November 25, 1996:

- 1) You state that a contribution from America Presents, Ltd., disclosed on Line 11(c), does not appear to be from a federally registered political committee.
  - \* Please note that this contribution was transferred to the DNC's Non-Federal Corporate Account on December 4, 1996 (A copy of the Page from our Year-End report reflecting this transfer is enclosed).
- 2) You request that refunds disclosed on Line 28(a) be amended to reflect the original date and identity of each contribution refund listed on this Schedule.
  - \* Enclosed, please find an amended Schedule B, Line 28(a) that includes this information.
- 3) You state that Column B for Lines 6(c), 7, 18, 19, 21(a)(ii), 21(c) and 30 appear to be incorrect.
  - \* This error was corrected by the DNC in an amendment dated April 17, 1997.

Ms. Debbie Manzano May 8, 1997 Page Two

- 4) You state that the amount disclosed on Line 11(a)(i) does not equal the amounts on the detailed summary pages. The DNC disclosed \$4,376,502.10 on its detailed summary page for this line. You state that the sum of the entries on Schedules A for this line total \$4,344,727.97.
  - \* Please note that the following pages (p.p. 988, 1176, 1561-1580) appear to have been inadvertently omitted from the original report, and are included herein. The total amount for these pages is \$33,023.13. This brings the total amount for Line 11(a) to \$4,377,751.10.
- 5) You ask for clarification of the nature of refunds for the following vendors.

<u>'96 DNCC</u> - These payments reflect reimbursement by the DNCC for payroll expenses incurred by the DNC on behalf of the DNCC.

<u>Direct Mail Management</u> - This payment reflects a refund for an overpayment of postage for direct mail fundraising.

<u>Typed Letters Corp.</u> - This payment reflects a refund for an overpayment of postage for direct mail fundraising.

- 6) You state that the beginning balances for certain vendors do not match the closing balances disclosed on the DNC's Pre-General Report.
  - \* Please find an amended Schedule D which corrects these discrepancies. Please note that for U.S. Healthcare, the change corrects an error for the Pre-General Report, not the Post-General Report.
- 7) You state that the DNC's report discloses an opening balance for Greenberg Research, Inc., but this vendor is not included on the Pre-General Report.
  - \* Please find an amended Schedule D for the Pre-General Report which corrects this discrepancy.

Ms. Debbie Manzano May 8, 1997 Page Three

- 8) You ask that all in-kind contributions disclosed on Schedule H4 be crossed referenced to its offsetting entry on Schedule H3. Furthermore, you ask that the DNC disclose any transfers to pay for, or escrow the federal portion of in-kind contributions.
  - Enclosed please find amended Pages H3 and H4 that crossreference all allocable non-federal in-kind contributions received. Pursuant to FEC Advisory Opinion 1992-33, the DNC does not attempt to make a contemporaneous transfer of federal funds each time it receives a non-federal, allocable, in-kind contribution. Rather, the DNC intermittently makes bulk transfers of federal funds from its federal account to a DNC "In-Kind Escrow" account, which represents a good-faith estimate of the federal portion of non-federal, allocable, in-kind contributions to be received at some future date by the DNC. As information regarding in-kind contributions become available, the DNC then makes a transfer, based on the actual value of in-kind contributions received, from the In-Kind Escrow account to the Non-Federal Corporate account. During the first six months of 1996, the DNC transferred \$80,000 to this account for anticipated inkind contributions received. During the Pre-General reporting period, the DNC transferred \$150,000 to this In-Kind Escrow account. During the Year-End period, the DNC transferred an additional \$150,000 to this In-Kind Escrow account.
- 9) You state that several disbursements to federal and non-federal committees do not qualify as allocable disbursements, and request that the DNC transfer the non-federal portion back to its non-federal account.
  - Non-Federal Payments Payments to the following vendors (The New Jersey Lesbian & Gay Committee, L.A. Vote, African American Institute, Montgomery Improvements Association, National Coalition of Black Voters National Association, Participants) were contributions to various non-profit and political groups that undertook non-partisan Get-Out-The-Vote projects during the 1996 election cycle. Although the DNC believes that it could have legitimately contributed to these groups using solely non-federal funds, the DNC decided to allocate these contributions after being made aware of the FEC's findings in connection with an audit of one of the Democratic party's state committees. In this audit, the Commission ruled that the state party committee should have treated such contributions to non-partisan or non-federal get-out-thevote

1

Ms. Debbie Manzano May 8, 1997 Page Four

> groups as allocable generic voter drive expenditures. <u>See</u> Report of the Audit Division on the Democratic State Central Committee of California - Federal, p.p. 16-20 (Approved August 29, 1996). Consequently, the DNC believes that it properly treated these payments in accordance with FEC precedents.

- <u>Congressman Cleo Fields</u> These payments were made directly to Cleo Fields for generic voter drive activities done on behalf of the DNC during 1996. During this period, Mr. Fields was no longer a member of Congress. Enclosed, please find amended Schedules H4, which reflect a current address for Mr. Fields.
- Payments to Federal Committees Payments to following committees (Clinton/Gore '96, Democratic Senatorial Campaign Committee, Democratic Congressional Campaign Committee) were dollar-for-dollar reimbursements for expenditures paid for on behalf of the DNC by these committees. For the reasons set forth in our two letters of March 26, 1997, and our letter of April 18, 1997, the DNC believes that the treatment of these payments as operating expenditures was proper. Therefore, the DNC will not make any transfers to its non-federal account in with these payments at this connection Furthermore, in John Gibson's letter of April 7, 1997 to the DNC, he attempted to distinguish the DNC's payments to a non-connected PAC by stating that the precedent cited by the DNC in the above mentioned letters involved affiliated party committees and candidates. Therefore, it is our assumption that since Mr. Gibson tried to distinguish, rather than repudiate those precedents, Mr. Gibson acknowledges that such payments are permissible.
- 10) You state that payments to the Hollywood Women's Political Caucus ("HWPC") should not have been disclosed as an expenditure on Schedule H4. Rather, these expenditures should have been disclosed as contributions to another federal committee.
  - These payments represent dollar-for-dollar reimbursements for payments made on behalf of the DNC by the HWPC. The DNC reiterates its arguments made in its letters of March 26, 1997 and April 18, 1997 regarding your characterization of these expenditures. Therefore, the DNC will not make any transfers to its non-federal account in connection with these payments at this time.

Ms. Debbie Manzano May 8, 1997 Page Five

- 11) You ask that the DNC provide addresses for all vendors on Schedule H4 for which such addresses were omitted.
  - \* Enclosed please find an amended Schedules H4 which includes all omitted addresses for Line 21(a).
- 12) You state that the amount disclosed on the last page of Line 21(b) does not match the total amount of expenditures disclosed on the this line.
  - \* Enclosed please find an amended Page 2 of Line 21(b) which corrects the amount paid to Western Union. This correction clarifies the discrepancy between the amount on Schedule B and the cover pages.
- 13) You ask for clarification of all media expenditures made by the DNC on Schedule H4.
  - \* All media expenditures disclosed on Schedule H4 were for "generic" media. These media expenditures were not made on behalf of any specific federal candidate.
- 14) You ask that the DNC provide addresses for all vendors on Schedule B, Line 5 for Non-Federal Finance Fund for which such addresses were omitted.
  - \* Enclosed please find an amended Schedule B which includes all omitted addresses for Line 5 of Non-Federal Finance Fund.
- 15) You state that the total contributions on Line 1 of Non-Federal Unincorporated does not equal the amount disclosed on the summary page.
  - \* The DNC has reviewed Line 1 of Schedule I of the Non-Federal Unincorporated account, as amended, and the accompanying Schedules A. Our review shows that the entries disclosed on Schedules A equal the amount disclosed on Line 1 of Schedule I. Therefore, no further amendment is necessary. Please note that NSF checks disclosed for the Year-End Report (\$31,000; amended to \$27,500) should applied to the Year-End report, and not to the Post-General Report.

Ms. Debbie Manzano May 8, 1997 Page Six

- 16) You state that certain pages of Line 11(a) omit the date of receipt.
  - \* Please find amended pages of Schedule A which include this information.
- 17) You state that certain information was omitted from Schedule D.
  - \* Enclosed, please find an amended Schedule D which includes this omitted information.
- 18) You state that our amended report discloses a payment on Schedule D to Malchow & Company, but that this payment is not found on Schedule B.
  - \* Enclosed please find an amended Schedule D which clarifies this discrepancy. Schedule D should have disclosed a debt owed to Malchow, Adams & Hussey, not Malchow & Company.

RE: Response to letter of May 22, 1997 to Carol Pensky, Treasurer, DNC Services Corporation/Democratic National Committee.

Dear Mr. Gibson:

The DNC is in receipt of your letter of May 22, 1997. In this letter, you request clarification of the following items from the 30 Day Post-General Report, which covered the period from October 17, 1996 through November 25, 1996.

- You continue to question reimbursements made to Hollywood Women's Political Caucus ("HWPC") made during this period and earlier reporting periods.
  - The DNC continues to reiterate its comments made in earlier letters. The DNC believes that the nature of these transactions should not be altered merely because the payments to DNC vendors merely "passed through" a (The Commission federal political committee acknowledges that these transactions were in the normal course of business by stating that the payments were legitimate allocable expenses, "but for" the funds being "contributed" to HWPC. The DNC continues to contend that this transaction is not a contribution. Furthermore, the HWPC has disclosed this transaction as an offset to expenditure, and <u>not</u> as a contribution). DNC and HWPC entered into an arrangement whereby as part of the HWPC's assistance in the production of a fundraising event, HWPC dealt directly with and paid vendors for their services in connection with this event. HWPC sought, and received, immediate dollar-for-dollar reimbursement for those payments. The DNC continues to believe that these payments constitute legitimate allocable fundraising expenses, and <u>not</u> a contribution to a contribution to a federal political committee. Therefore, the DNC does not intend to transfer any funds to its non-federal account at this time, or to pursue any requests for a refund from HWPC at this time.
